

national student employment week

February 2010

National Student Employment Week (NSEW) is an annual event organised by NASES when Student Employment Services from across the UK host events designed to bring employers and students together.

Work experience gives you a competitive edge in the student and graduate employment market by providing you with essential employability skills; Communication; Teamwork; Leadership; Motivation; Negotiation; Sales and Marketing; Problem Solving; and Creativity.

So if you;

- Are looking for part-time, temporary or vacation work
- Want to gain valuable skills for your CV and meet new people
- Need money to support your living costs and education

Visit your Job Shop now to find out more about NSEW and local opportunities.
